

10 Space Oxford Cycle Shelter Information Sheet

10 Space Oxford Cycle Shelter

Our 10 Space Oxford Cycle Shelter enables you to provide convenient and secure bike storage.

Equipped with an anti-vandal 3mm clear polycarbonate roof and back panel as standard, gate and side panel options are also available to fully enclose the shelter and maximise the security on offer.

The Oxford Cycle Shelter is an accessible, easy-to-use choice for any commercial project - you can even customise the finish to any polyester powder coated RAL colour of your choice.

Buy online or contact us today if you have any queries.
