

20 SPACE CAMBRIDGE TWO TIER CYCLE SHELTER INFORMATION SHEET

Our Cambridge cycle shelter to deliver quality bike storage and value for money. It's a cost-effective shelter, which can be extended indefinitely, depending on your storage requirements. Provided with 20nr Two Tier Racks, offering high density cycle storage.

With options to fully enclose the bikes with gates and side panels. With a wide range of options to adapt this cycle shelter to your environment this proves to be an extremely popular choice for bike storage across a wide range of applications.

Constructed from hot-dipped galvanised box section and a steel corrugated roof, it'll protect bikes from the elements as well as offering secure cycle storage.

Lead time: 3-4 weeks
