

20 SPACE ORIGINAL CYCLE SHELTER INFORMATION SHEET

The 20 Space Original Cycle Shelter is one of our most popular bike shelters, offering secure bike storage for 20 bikes with options to fully enclose the bikes with gates and side panels. With a wide range of options to adapt this cycle shelter to your environment this proves to be an extremely popular choice for bike storage across a wide range of applications.

Toastracks are included as standard and ensure cyclists can secure their bikes safely. Providing convenient infrastructure which encourages more people to cycle is a factor in your BREEAM rating, meaning you'll be one step ahead when you install BREEAM-compliant original cycle shelters.
