

FOLDING BIKE LOCKER INFORMATION SHEET

The Folding Bike Locker is a modular cycle locker designed specifically to accommodate the unique & highly popular folding bicycle.

This product can be procured in tiers up to 3 lockers high and installed in rows to provide smart & secure storage solution without occupying a large space.

Our Folding Bike Locker is robustly made right here in the UK, using precision panel bent sheet metal components that can be finished in a range of RAL colours to suit your brand or image.

Our lockers can also be procured with a range of locks, including standard turnkey types & Ojmar OCS Pro Keypads. Whatever suits your needs.
