

GAS ASSISTED TWO TIER RACK INFORMATION SHEET

The Gas Assisted Two Tier Cycle Rack is the ultimate for achieving excellent space saving bike storage whilst ensuring a usable system for your users. Offering superb usability and exceptional build quality, it has been designed from the ground up within our UK based factory. Utilising only the highest quality UK made components, allowing us to offer an industry first 10 year product warranty. This rack has been designed with two key functions in mind:

- Security; both wheels as well as frame lockable to individual hardened steel locking points.
- Usability; from it's easy grip handle the upper level is lowered to ground level where it can be effortlessly lifted into position. Allowing for use by each and every cyclist.

THE
BIKE STORAGE
COMPANY
