

## SHEFFIELD CYCLE STAND INFORMATION SHEET

A common sight around the UK, Sheffield Cycle Stands offer fantastic levels of security to cyclists looking to lock up their bikes safely and easily. Our Stainless Steel option offers a level up in finish & durability from the standard galvanised or powder coated options.

Simple to install and extremely cost-effective, these stands make buying bike storage an easy choice. Sheffield Cycle Stands will complement any environment and you can tailor the amount of cycle spaces needed to your requirements. If the demand grows, simply install more to increase capacity.
