

## Folding Bike Locker Information Sheet

### Folding Bike Locker

Our specially designed Folding Bike Lockers provide practical storage for folding bikes and enough space to store a helmet, lock, and small bag.

Each locker has 2 or 3 compartments designed around the typical size of a Brompton bicycle, and internal locker dimensions are H630mm x W440mm x D650mm. Both locker frames and doors can be powder coated in contrasting colours for an alternative aesthetic.

Lockers are provided with perforated doors for air circulation and optional numbering. Available with a wide range of locking options from the functional key/padlock cam lock to powered code and RFID locks. It is manufactured from heavy-duty steel, complete with tamper-proof hinges.
