

Premium Amazon Eco Cycle Shelter Information Sheet

Premium Amazon Eco Cycle Shelter

The Premium Amazon Shelter is born from one of our most popular ranges, the Amazon Eco range, featuring an updated 80mm box section mild steel frame, and a variety of FSC-certified timber options.

A highly customisable bike shelter, the Premium Amazon Cycle Shelter can be ordered open-fronted, open-ended or with high security gating.

Give your site's cyclists the satisfaction of knowing there is a secure and convenient location to leave their bike.

Visit our website or speak to our team today to learn more about our Premium Amazon Eco Cycle Shelter.
