

Premium Amazon Two Tier Cycle Shelter Information Sheet

Premium Amazon Two Tier Cycle Shelter

Introducing the Premium Amazon Two-Tier Cycle Shelter, an upgraded, secure bike storage solution. With an 80mm SHS steel frame and FSC Sapele hardwood cladding, it seamlessly blends into any environment. Customise the shelter with various timbers, mesh options, and eco-friendly features like sedum roofing.

Security is essential, offering a range of locking systems. Choose optional LED lighting for enhanced visibility and a fire-retardant version for added safety. Backed by a 10-year warranty. It's a sustainable choice with FSC-certified timber.

Gas-assisted or standard Two-Tier Racks inside provide efficient parking for 20 bikes, featuring easy grip and high-density storage.
