# PERGOLA BIN STORE

Premium Timer Clad Bin Stores for Modern Projects

The Pergola Bin Store is a premium timber bin storage solution for residential and commercial developments. Built with sustainability, functionality, and design in mind, this unit combines FSC-certified timber cladding, robust British steel brackets, and a range of customisable finishes to deliver a waste management solution that looks as good as it performs. Ideal for keeping external areas organised and visually appealing, the Pergola Bin Store is a practical choice for architects, contractors, and developers seeking a long-lasting and specification-ready bin storage solution that enhances the overall design of a building site or public realm. With sustainability now a key consideration in modern construction, the Pergola Bin Store has been designed to align with BREEAM standards.
