

## Battersea Tenant Cycle Store Information Sheet

### Battersea Tenant Cycle Store

The Battersea Tenant Cycle Store is a mesh security cage designed to safely store every resident's bicycles and additional items with a property development.

Originally designed as a bespoke store for Battersea Power Station, this superb product adds value to any residential property by providing robust storage from a design team trusted to deliver secure solutions to some of the country's most iconic buildings.

Each of these high-security mesh cages also includes a Secure Ground Anchor as an additional theft deterrent feature, allowing residents to fix their bikes in place within the unit. Deliver peace of mind and exclusive bike parking with this premium solution.
