

Lincoln Smoking/Bus Shelter Information Sheet

Lincoln Smoking/Bus Shelter

If you're looking for a bus or smoking shelter with a clean, modern, and superior design, then the Premium Lincoln Shelter is perfect for your site.

Initially commissioned for a bespoke project, the shelter is premium and modern, perfectly combining a clean aesthetic with functionality. Designed with clear glass paneling, this shelter boasts perfect visibility and allows no loss of ambient light inside the shelter. The galvanised steel framework can also be powder coated to match your desired look.

It features our mild steel 80mm frame and 8mm toughened glass, topped off with a bespoke vinyl motif option for signage or branding to stand out in any space.

Specification

- Modular design allows it to be easily extended to fit your specific needs
- 8mm Toughened Glass covering the roof, rear, and sides
- Hot dipped galvanised to BS EN ISO 1461:2022
- Powder Coating to Various RAL Colours as standard
- Option for Solar or PIR lighting
- Option for rear guttering
- 10-Year manufacturer's warranty
- BREEAM compliant
- Designed and manufactured in Britain
